

571—30.60(455A,461A,462A) Cost-share requirements.

30.60(1) *Water trails development program.* Grant proposals for water trails development projects do not require cost share; however, cost share is strongly encouraged through the selection criteria. Any claim of cost share shall be supported through a signed letter from the organization providing the cost share.

30.60(2) *Low-head dam public hazard program.* Proposals requesting funds to be used for warning signs, supporting structures, and navigational aids such as buoys at and near low-head dams shall receive priority and shall be selected pursuant to the dam owner's contribution of at least 20 cents for every 80 cents awarded by the department. For the remainder of funds, proposals for other low-head dam public hazard projects shall provide at least 50 percent of the funds required to complete small, medium-sized, and large projects. Cost-share funds may include local, private, federal or other state funds. Any claim of cost share required by this subrule shall be supported through a signed letter from the organization providing the cost share. The department strongly encourages sponsors to provide more cost share than is required by these rules, and the scoring committee will provide additional consideration to those proposals that exceed cost-share requirements.
